Terms of Reference

The Committee Shall:

1. Act as a forum for discussion and resolution of issues which affect all areas of the undergraduate and postgraduate curricula.
2. Be responsible to Senate for the formulation of policies affecting the fundamental nature of the curriculum and to review such policies from time to time.
3. Ensure the implementation of the aims and objectives of the curriculum in accordance with the Mission Statement of the University.
4. Be responsible for advising Senate on matters relating to inter field curriculum development.
5. Prescribe formats and contents for College and Departmental Handbooks which should incorporate links between curriculum and preparation of graduates for external context of the university.
6. Establish links with other bodies within and outside the University for the discussion of matters of mutual interest.

7. Prescribe a progressive and developmental model of academic curriculum for the university.
8. Consider for possible implementation, recommendations of the Senate for the introduction of summer or remedial programmes as and when necessary.
9. Receive reports and recommendations from the undergraduate and postgraduate Committees.
10. Ensure periodic review of Benchmark Minimum Academic standards (BMAS) for both postgraduate and undergraduate programmes.
11. Regularly intimate Senate through the Vice-Chancellor on new curriculum related policy changes and global trends that are in tandem with regulatory bodies approved positions.
12. Organize workshops/seminars on curriculum development for various departments.
13. Ensure that the postgraduate and undergraduate BMAS documents are made available to all departments in the university.
14. Ensure that the university complies at all times with the BMAS for all programmes.
15. Perform any other briefs that may be given by Management from time to time.
