

PRESENTATION TO SS3 STUDENTS OF THE TRINITY COLLEGE, OFADA, AND THEIR PARENTS

Protocol

Preamble

It is a great privilege for me to be part of this meeting. I want to congratulate the Board, Management, Staff, Students and particularly you parents on the success of your Children in Cambridge Examination & UTME results just released. Congratulations!

No doubt, Trinity University (TU) came into existence as a result of the outstanding success of TRICOL at the Secondary School level. I want to assure you that TU will improve on this. We are committed to producing Globally Competent and Competitive Graduates.

About TU

TU is a **Christian Faith-based** University.

Our Mission is: “To equip students with knowledge, skills, attitudes, competencies and values through quality teaching, learning and research, thus creating effective change agents and value-adding members of the Society.”

Our Unique Selling Points include amongst others:

- **Conducive and Cult-free environment that inspires Creativity, Innovation and Ingenuity.**
- **Current and Robust Curriculum that produces the Total Man with Impeccable Character and Leadership prowess.**
- **State-of-the-art Laboratories and Studios that inspire Learning.**
- **International Collaboration and Linkages.**
- **International Certifications in IT, French, and Chinese.**
- **Robust Community Engagement and Entrepreneurial Development.**
- **Endowed, Tested and Proven Faculty and Management base.**

TU is about 1-year old, and we are in the second semester of year of two. We are bringing all experiences to bear with an avowed commitment to surpass my achievements in CU within the shortest possible time.

Collaborations and Linkages

- i. MoU signed with LASUTH.
- ii. MoU signed with Commit Technology & Consult.
- iii. MoU signed with Nigeria Employers' Consultative Association (NECA).

Foreign Lecturers who made Presentations in TU

- i. Prof. Nelson Undubuisi, Griffith Business School, Griffith University, Gold Coast, Queensland, Australia.
- ii. Prof. Victor Mbarika, Southern University, A&M, USA.
- iii. Dr. Daniel Okoli & co – Northern Arizonal University, USA.

Currently, discussions are ongoing towards collaborating with overseas institutions and we are exploring the possibilities of running dual degrees such as 2 + 2 and 3 + 1, etc. That is two years in Nigeria and two years abroad; and three years in Nigeria and 1 year abroad respectively.

My appeal: I want to seize this opportunity to appeal to you migrate your membership of TRICOL Parents to TU Parents. I assure you that it's one partnership you live to remember.

Pls visit our Website for more information.

Thank you and God bless.

***Professor Charles Ayo
Vice-Chancellor***
