GAPRILD

Core Values

Definition of Terms

- **Godliness** – Inculcating in Staff and Student the virtue of Godliness with utmost reverence to God. To exhibit demonstrable commitment to maintaining a high level of Godliness, which is Profitable unto all things... 1 Tim. 4:8
- **Academic Excellence** – Providing Quality Education that is World-class Standard, thereby making our graduates well-sought after and competitive among their peers globally.

Core Values

Definition of Terms

- **Professionalism** – Introducing Students and Staff to Professional Membership and Certifications, as well as active involvement in Town and Gown Initiatives for relevance Academically and Professionally.
- **Responsibility** – Inculcating in students and staff a deep sense of commitment to ones tasks and assignments; and meeting expectations and timelines regardless of the prevailing circumstances.

Core Values

Definition of Terms

- **Integrity** - Producing Men and Women of Impeccable Character with a deep sense of probity, accountability and trustworthiness; and demonstrable traits of uprightness, honesty and transparency in all areas of endeavour.
- **Leadership** – Developing Men and Women of vision, world-changers and transformational Leaders, who have the potentials to birth a change within the immediate society and the world in general.
- **Discipline** - Training Men and Women to obey rules and order, which makes them effective Leaders and role models in the Society.
