

The First TU Parents' Meeting

Vice Chancellor's Address

It is my pleasure and privilege to welcome you to this occasion of the first TU stakeholders' meeting. We appreciate God for His protection over you and your Children during the COVID-19 Pandemic and I assure you that it shall be as recorded in the book of Acts 27:24 **"And now I exhort you to be of good cheer: for there shall be no loss of any man's life among you, but of the ship."**

Let me quickly extend the appreciation of the Council of the University led by the Chairperson, Pst. Samuel Olatunji, to you. He sends his regards on behalf of the entire members of Council and promised to be part of future meetings.

I appreciate your trust and belief in the management of the University by sending your Children/Wards to us and I want to assure you all that your expectations over them shall be met. To us, we expect a very beneficial and lasting relationship that will stand the test of time.

At this juncture, ladies and gentlemen, let me also share the Mission of the University with you. Our Mission is: "To equip students with knowledge, skills, attitudes, competencies and values through quality teaching, learning and research, thus creating effective change agents and value-adding members of the Society."

Our unique selling points include amongst others: Conducive and Cult-free environment that inspires Creativity, Innovation and Ingenuity; Current and Robust Curriculum that produces the Total Man with Impeccable Character and Leadership prowess; State-of-the-art Laboratories and Studios that inspire Learning; International Collaboration and Linkages; International Certifications in IT, French, and Chinese; Robust Community Engagement and Entrepreneurial Development; and Endowed, Tested and Proven Faculty and Management base.

Futhermore, our Core Values are:

- **Academic Excellence** (Quality Education).
- **Professionalism** (Professional Certifications and active involvement in Town and Gown Initiatives).
- **Responsibility** (Doing things as demanded and not as convenient, particularly living up to expectations).
- **Integrity** (Producing Men and Women of Impeccable Character).
- **Christian Values** (Operating with reverence and the fear of God).
- **Leadership** (Developing world changers and transformers).

Like you all know that the University is barely one year old but not withstanding, while most older universities are idle, we are involved in online teaching. Thanks to the commitment of the Council and the Staff of the University.

As I close, let me assure you of our commitment to the Vision, Mission, and all other promises made. I make bold to tell you that our word is our bond.

Talking of partnership and companionship, the Bible in the book of Genesis recorded that Lot was bless alongside Abram because of his association with him. Gen. 13:5 “**And Lot also, which went with Abram, had flocks, and herds, and tents.**”

Therefore, I decree that the God of Trinity will visit you, turn your fortunes round, and you shall enjoy supernatural blessing In Jesus’ Name. Amen!

This meeting will be short and business like and I trust that it shall be fruitful and rewarding.

Long Live Trinity University!

Long Live Trinity University Parents!!

Long Live Nigeria!!!

Thank you all and God bless.

Prof. Charles Ayo
Vice Chancellor
