B. Protective Materials

All returning students are to ensure they resume to campus with the following infection prevention and control materials:

- a). Face mask (at least 4 pieces);
- b). Face shield; and
- c). A bottle of hand sanitizer.

C. Medical Screening

1. All returning students **MUST** undergo mandatory Medical Screening/Clearance;
2. The Medical screening/clearances will hold at the Clearance Centre (TU Health Centre);
3. Medical Screening/Clearance opens 8.00am and closes 5.00pm daily;
4. All returning students are required to pay a Screening fee of N10,000.00 (Ten Thousand Naira only);

5. Screening fee will be paid ONLY at the Screening/Clearance Centre without which the students will not be screened or admitted on Campus;
6. Screening will include:
 - a). Temperature check;
 - b). Travel history checks;
 - c). Rapid Diagnostic Test (RDT);
 - d). Disinfection of students' bags and other materials; and
 - e). Blood Group and Genotype.
7. Those with unsatisfactory medical result will return home with their parents. They will only be admitted with NCDC certification.
8. Other medical check will continue afterwards at the Medical Centre.
9. All students expected per day MUST wait at the reception ground (car park) to access the Screening/Clearance Centre. No student will be admitted to the hall of residence without the clearance pass.
10. Parents are to stay within the car park and inside their vehicles while the screening last. ONLY students will be admitted unto the Clearance ground.

C. Acquisition of Entrepreneur Skill(s) and Learning of French Language

As part of the mandate of the University to ensure that our students learn at least a foreign language and also to prepare them for the Industrial world, the practical session of Trinity University Entrepreneurship studies, kicks off this session. Each student is mandated to pay a compulsory fee of ₦10,000 each for learning of French language and a skill of choice (a total of ₦20,000) from the listed skills (Appendix A).

D. PAYMENT OF OUTSTANDING SCHOOL FEES AND NEW SESSION FEES

All students with outstanding school fees for the 2019/2020 academic session will not be admitted on campus without clearing their bills. Parents should kindly note that no signing of undertaking will be accepted for any outstanding fees for the 2019/2020 session.

In addition to the above, students are expected to pay 40% of the 2020/2021 session school fees before resumption to the University's account. Evidence of payment will be requested for at the gate without which the parents would be asked to take their ward(s) back home or the student be sent back home. Parents should kindly cooperate with us on this regard.

We appreciate your Cooperation So far.
