TRINITY UNIVERSITY'S MAIDEN MATRICULATION CEREMONY

Trinity University held her maiden Matriculation Ceremony and Public Lecture on Saturday, 10th August, 2019 in the University Auditorium at its campus in Yaba, Lagos. The occasion was well attended by prominent individuals from all walks of life. Also present at the Ceremony were eminent personalities from far and near, including the representative of JAMB Registrar, Distinguished Academia from other Institutions viz: University of Lagos, Yaba College of Technology, Mountain Top University and Kola Daisi University, amongst others. Also in attendance were captains of Industries, Men and Women of the Press and invited guests.

Among the University Council officials present at the occasion were Pastor

Samuel Olatunji (Pro-Chancellor and Chairman of the Governing Council), Prof. Charles K. Ayo (Vice-Chancellor), Pastor A. Osinubi, Engr. Bayo Kolade, Dr. Oluwafemi Oyinsan, Prof. (Mrs.) M.N. Femi-Oyewo, Dr. (Mrs.) Oluranti Adedayo, Mrs. Titi Akintemi and Mr. Babajide Shoaga (Registrar).

Also present were the Faculty Staff, Matriculating Students and their parents.

The matriculation Lecture titled "Repositioning The Nigerian University System for Creativity and Nation Building" was delivered by Dr. Suleiman Ramon-Yusuf, Deputy Executive Secretary with the National Universities Commission.

Pastor Samuel O Olatunji
Pro-Chancellor & Chairman of Council

The Trinity Vision that birthed Trinity University

The Trinity Vision started about 25 years ago and was born of a deep concern for the alarmingly-declining standards in the quality of education offered by most institutions. The group, like most other Nigerians bemoaned the situation but beyond that, it challenged itself to do something about it, at least, for the sake of 'our own children.' The vision was simply to provide first class education combined with excellent moral and spiritual upbringing. Our response led to the commencement, in October 1995, of Trinity International College, then at No. 10 Adekunle Fajuyi Way, Ikeja GRA, with 8 tiny children, on the first night. In the 24 years during which this College has operated, it has recorded phenomenal achievements at the local and international levels, capped by the fact that, annually, and for many years now, our students have represented Nigeria in the Annual International Science Olympiads.

We proceeded later in 2006 to found Trinity Foundation School, at Ofada, which has simply re-defined the standard of primary education in that axis.

As the challenges both in the education sector as well as in the nation continued, the successes recorded in our two existing institutions motivated the group to advance further into the tertiary sector with the same vision, in order to widen and deepen the scope of our impact. Trinity University is therefore not just another University but rather, a university setting out to breed graduates equipped with a certificate that is a statement of excellence in learning, in character, in competence and in contribution to humanity.

Trinity University of Our Dream

Trinity University is a Christian Mission University founded by a group of Christians of different denominations with avowed commitment to address the fallen standard of education, the dearth and death of morals and character, as well as the challenge of employability and nation building.

This was what informed the motto of the University, which is "Building on the Rock". It symbolizes a Total Man/Graduate that is academically and technically sound, morally upright and equipped with the requisite skills that will make him/her stand out in all spheres of life's endeavours. This is aptly captured in our vision, which is "to be a World-class University that equips learners with Academic Excellence, Practical Competence and Impeccable Character."

Thus, the Trinity University of our dream is geared towards producing:

- ◀ Change agents and transformational leaders.
- ◀ Value-adding members of the society.
- ◀ Highly professional and God-fearing graduates.
- ◀ Internationally exposed and rounded graduates.
- ◀ Internationally IT-certified and multi-linguistic graduates.

At Trinity University, we stand for Knowledge, Character and Excellence!

Making The Best of Your Stay In Trinity University

Success in life is a matter of choice. The choice you make will determine your chances in life. One has to be resolute and determined to succeed in life and be willing to overcome distractions on the road to success. For you to succeed and come all out in flying colours, you need a mind of your own as well! In the light of this, let me give these hints that may guide you to succeed while in Trinity University:

1. Have a vision
2. Attend every class: Go to class each day and right on time.
3. Manage every time at your disposal
4. Develop a good reading and study habit/skills
5. Be attentive in class
6. Attend tutorial classes and do your assignment(s) right on time
7. Ask questions: A shut mouth is a shut destiny
8. Interact in and outside the classroom
9. Have a good relationship with your teachers
10. Obey all University rules.
11. Attend fellowship
12. Avoid distractions.
13. Do collaborative study with your colleagues.

Mr. Babajide Shoaga
Registrar

Dr. Suleiman Ramon-Yusuf

In his lecture, Dr. Ramon-Yusuf remarked that University education in Nigeria will be successfully re-focused for creativity and nation-building, if all critical stakeholders comprising the Academia, Industry and the Government come together in sincere partnership within the framework of the triple helix model to fill all identified gaps in the input-process-output of the University quality paradigm of analysis. He noted that the discharge of the tripartite mandates of Universities, namely Teaching, Learning, Research and community engagement, will be better enhanced and reposition the nation more truly on its way towards technological and socio-economic development, self-sufficiency, poverty reduction, wealth creation and global competitiveness.

COMMUNITY SERVICE

The University embarked on a community cleanup as part of its Corporate Social Responsibility on 14th November, 2019. The Ag. Dean of Students' Affairs, Faculty Staff, the entire student population and staff of the University's maintenance dept. participated in the exercise which was aimed at creating awareness of the benefits of a healthy environment on the lives of the citizens. The community response to this endeavour was very enthusiastic.
